End Application:

Ttk-356/e37t-24

Measuring Method And Length:

50.500 inches

Product Name:

Cable trough assembly

Material:

Aluminum alloy 6061 body

Material Specification:

Qq-a250/11 federal specification single material response body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A02700
