**End Application:**

Ttk-356/e37t-24

**Measuring Method And Length:**

50.500 inches

**Product Name:**

Cable trough assembly

**Material:**

Aluminum alloy 6061 body

**Material Specification:**

Qq-a250/11 federal specification single material response body

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A02700
