## Width:

19.1 millimeters

## Length:

1525.0 millimeters

## **Product Name:**

One-piece surface steel raceway

## **Special Features:**

Coupling furnished with each length,

## Height:

13.5 millimeters

#### Material:

Steel

#### Style Designator:

One piece latching closure

#### Shelf Life:

N/a

#### Unit Of Measure:

--

#### Demilitarization:

No

## Fiig:

A02700
