Overall Length:

1.375 inches

Overall Width:

1.750 inches

Mounting Device Quantity:

1

End Application:

7360-01-556-0596

Mounting Method:

Thread

Opening Inside Diameter:

0.562 inches

Product Name:

Steel liquidtight strain relief connectors - straight

Special Features:

Nec 501- (b) ; rohs compliance; cord range .500-.750 inches; hub size .500 inches

Flexibility:

Rigid

Material:

Steel body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02000
