Width:

0.19 inches

Overall Length:

17.5 inches

Thickness:

0.052 inches

Product Name:

Cable ties

Special Features:

Material- weather resistant nylon 6.6; locking style - locking; bundle diameter range 0.06 - 5.00 inches; continuous used temperature -60 degrees c - 85 degrees c; installation temperature -20 degrees c - 0 degrees c; operating temperature - 60 degrees c to 85 degrees c; rohs complaint

Color:

Black

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T372-b
