Overall Length:

1.300 inches

End Application:

R20tmmasp-001

Design Type:

Straight through

Wire Quantity:

1

Accommodated Conductor Type:

Insulated cable

Separate Insulator Attachment Device:

Not provided

Product Name:

Miniature, liquidtight cord connector

Special Features:

Is gray in color. Accommodates cords 0.135 to 0.200 inches in diameter. Is 0.25 inch npt hub size.

Material:

Plastic polyamide

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T386-a
