**Overall Length:**

1.300 inches

**End Application:**

R20tmmasp-001

**Design Type:**

Straight through

**Wire Quantity:**

1

**Accommodated Conductor Type:**

Insulated cable

**Separate Insulator Attachment Device:**

Not provided

**Product Name:**

Miniature, liquidtight cord connector

**Special Features:**

Is gray in color. Accomodates cords 0.135 to 0.200 inches in diameter. Is 0.25 inch npt hub size.

**Material:**

Plastic polyamide

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T386-a
