Overall Length:

1.440 inches

End Application:

R20tmmasp-001

Design Type:

Straight through

Wire Quantity:

1

Accommodated Conductor Type:

Insulated cable

Separate Insulator Attachment Device:

Not provided

Product Name:

Miniature, liquidtight cord connector

Special Features:

Is gray in color. Accommodates cords 0.275 to 0.340 inches in diameter. Is 0.375 inch npt hub size.

Material:

Plastic polyamide

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T386-a
