Overall Height:

6.00 inches

Overall Width:

8.00 inches

Overall Thickness:

0.100 inches

End Application:

6625-01-599-3857

Mounting Configuration:

Has 4 counter sunk, 0.32 inch holes, 1 in each corner.

Panel Material:

Aluminum

Product Name:

Cable tester, bottom panel

Special Features:

Has 12 other, 0.213 inch holes for component mounting.

Surface Treatment:

Chromate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T122-b
