**Inside Diameter:**

Between 1.020 inches and 1.069 inches

**Outside Diameter:**

Between 1.251 inches and 1.304 inches

**Length:**

600.0 inches

**End Application:**

2355-01-567-4930

**Special Features:**

Is black with a gray stripe and has a slit. Temperature range is minus 40.0 degrees to 300.0 degrees fahrenheit.

**Material:**

Plastic polyamide

**Style Designator:**

Flexible conduit

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A02700
