Body Style:

Rectangular commutator

Width:

0.874 inches

Thickness:

0.312 inches

Length:

0.688 inches

Contact Face Style:

Concave

Special Features:

Marked "t"

Material:

Metal graphite

Material Specification:

Morganite inc, gr c-9 mfr ref single material response

Style Designator:

One piece

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A01500
