Body Style:

Rectangular

Width:

0.156 inches

Thickness:

0.062 inches

Length:

0.250 inches

Contact Face Style:

Flat

Special Features:

One pressure spring

Material:

Copper graphite

Material Specification:

Westinghouse electric corp, grade wr19 mfr ref single material response

Style Designator:

One piece

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A01500
