Component Brush Quantity Per Multiple Brush:

4

Body Style:

Cylindrical

Diameter:

0.007 inches

Top Style:

Convex

Contact Face Style:

Convex

Special Features:

Designed for slip-ring contact surface

Material:

Palladium

Material Specification:

The j m ney co, type paliney no. 7 heat treated mfr ref single material response

Style Designator:

Multiple

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A01500
