Inside Diameter:

1.500 inches

Overall Length:

2.312 inches

Outside Diameter:

1.675 inches

Overall Height:

0.062 inches

Mounting Configuration:

One mtg hole 0.125 in. Dia

Special Features:

Bend at 45 degrees angle 0.500 in. Lg at mtg hole

Material:

Phosphor bronze

Material:

Copper alloy 511

Shape:

Cylindrical

Fsc Application Data:

Radio and television communication equipment, non-airborne

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T321-a
