**Special Features:**

1.250 in. W, 0.375 in. Thick, 0.875 in. L; wear grooves both sides

**Material:**

Carbon

**Material Specification:**

National grade t-905 mfr ref single material response

**Style Designator:**

One piece

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A01500
