Electrical Contact Brush - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5977-01-425-5577

Special Features:
1.250 in. W, o.375 in. Thick, 0.875 in. L; wear grooves both sides
Material:
Carbon
Material Specification:
National grade t-905 mfr ref single material response
Style Designator:
One piece
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No

Fiig: A01500
