Special Features:

0.995 in. Min, 0.998 in. Maximum wide; 0.621 in. Min, 0.625 in. Maximum deep; 1.468 in. Min, 1.532 in. Maximum high w/3.000 in. Long insulated lead

Material:

Carbon

Material Specification:

Carbone of america grade 7099 mfr ref single material response

Style Designator:

One piece

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A01500
