Component Brush Quantity Per Multiple Brush:
2
End Application:
An/fps-117
Beam Width:
0.120 inches
Beam Thickness:
0.008 inches
Special Features:
Item name on drawing brush leaf assembly; length is 1.141
Material:
Silver graphite
Precious Material And Location:
Brush silver
Precious Material:
Silver
Style Designator:
Double beam cantilever
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A01500
