Component Brush Quantity Per Multiple Brush:

2

End Application:

An/fps-117

Beam Width:

1.000 inches

Beam Thickness:

0.008 inches

Special Features:

Item name on drawing brush leaf assembly; length 1.875; two mounting holes dia. 0.257; surface treatment is kynar

Material:

Silver graphite

Precious Material And Location:

Brush silver

Precious Material:

Silver

Style Designator:

Single beam cantilever

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A01500
