**End Application:**

Eh101 helicopter

**Product Name:**

Slip ring module assembly

**Special Features:**

Dielectric strength shall be checked at 500v rms, 60hz between each circuit and all other circuits. Insulation resistance shall be 100 megohms

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T386-g
