Electrical Contact Ring Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5977-01-563-5930

End Application:
Eh101 helicopter
Product Name:
Slip ring module assembly
Special Features:
Dielectric strength shall be checked at 500v rms, 60hz between each circuit and all other circuits. Insulation resistance shall be 100
megohms
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T386-g
