**Major Components:**

Light emitting diode 2; t-1 3/4 pcb mount 2

**Special Features:**

Pch200-br5v mtd on top of pcl200-br5v; red diffused led with built-in resistor for 5 volt operation; forward current is 10.0 ma and the brightness is 4 mcd

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**
