Overall Length:

1.185 inches

Overall Height:

0.125 inches

End Application:

Computer system cc950

Special Features:

Integral 5 volt resistor led; forward voltage 7.5 volts typical; 565nm peak wavelength; minus 20 degrees to plus85 degrees celsius operating temperature

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A110a0
