End Application:

24005874tl-00 (0n962) , mpccs light tower assembly

Mounting Method:

Press fit

Voltage Rating In Volts Per Characteristic:

24.0 base supply voltage

Color Tone Produced Per Source:

Clear lens

Product Name:

Socket-mount led modules

Special Features:

Housing color: black. Light module type: strobe.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A110a0
