**End Application:**

Groundsystems

**Character Type:**

Computer like

**Display Type:**

Light emitting diode

**Special Features:**

Durable, all glass sensor, scratch resistant, impervious to grease, dirt and water, shortest touch contact requirement, 1024x1024 resolution

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A504q0
