Overall Length:

0.350 inches

Overall Height:

0.200 inches

Overall Width:

0.390 inches

End Application:

C-17a aircraft

Product Name:

Microcircuit, optoisolator

Special Features:

Electrostatic discharge sensitive; schmitt-trigger-output type optocoupler; 16v power supply voltage; optically coupled to a gallium-arsenide ir emitting diode.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23900
