3.60 forward voltage, average

**Product Name:** 

Panel and lamp body sealed

**Special Features:** 

Color green, reverse voltage 5, cap 6 mm, body 19.5 mm, terminations 8mm to 11mm (red and white), convex lensforward voltage 3.6, current ma 20, luinious intensi type 1250

Shelf Life:

N/a

**Unit Of Measure:** 

--

**Demilitarization:** 

No
