**Overall Width:**

2.9 millimeters

**Overall Diameter:**

3.2 millimeters

**End Application:**

Light emitting diod

**Product Name:**

T-1 (3mm) solid state lamps

**Special Features:**

Red diffused color; high intensity; low power consumption; popular t-1 diameter package; general purpose leads; reliable and rugged; long life- solid state reliability; avaible on tape and reel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A110a0
