Overall Height:

1.6 millimeters

Overall Width:

3.2 millimeters

Lens Transparency:

Transparent

End Application:

Backlighting applications and front panel illumination

Product Name:

Surface mount chip leds

Special Features:

Op temp: -30 degrees to 85 degrees c; variuos colors; diffused optics; compatible with ir solder

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A110a0
