**End Application:**

Icbm

**Current Rating:**

90.0 milliamperes

**Display Type:**

Light emitting diode

**Special Features:**

The luminance is 700 candela per square metre (cd/m<sup>2</sup>). The protective film type is non-adhesive pet film.

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A504q0
