Overall Length:

4.35 inches

Overall Height:

4.35 inches

Overall Width:

2.25 inches

End Application:

Console assem

Voltage Rating:

5.0 volts

Character Type:

Numeric and light bar

Line Quantity:

2

Control Type:

Sequencer and network

Current Rating:

1.50 amperes

Display Color:

Black

Product Name:

Indicator, line spee

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A504b0
