Inclosure Material:

Metal

Mounting Facility Quantity:

1

Mounting Method:

Unthreaded hole

Voltage Rating In Volts Per Characteristic:

2.0 base supply voltage

Color Tone Produced Per Source:

Red lens

Product Name:

Light emitting diode

Terminal Type And Quantity:

2 insulated wire lead

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A110a0
