Overall Length:

34.200 inches

Overall Width:

26.000 inches

End Application:

Pwg no. 229-1

Component Type And Quantity:

1 bracket

Special Features:

Salt water resistant; component type and quantity: left vane 1, right vane 1; usage design: used as balancing vane assembly; mounting configuration: bolt mounting

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511I0
