Overall Length:

3.620 inches

Overall Height:

1.630 inches

Overall Width:

2.500 inches

Design Type:

Bidirectional

Unit Type:

Coaxial line or transmission line

Terminal Fitting Name:

Electrical connector

Terminal Fitting Controlling Agency:

General electric company

Terminal Fitting Identifying Number:

Part no.885c706p1 and 885c709p1

Terminal Fitting Usage Design:

Main line and secondary line

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T389-c
