**Overall Length:**

3.620 inches

**Overall Height:**

1.630 inches

**Overall Width:**

2.500 inches

**Design Type:**

Bidirectional

**Unit Type:**

Coaxial line or transmission line

**Terminal Fitting Name:**

Electrical connector

**Terminal Fitting Controlling Agency:**

General electric company

**Terminal Fitting Identifying Number:**

Part no.885c706p1 and 885c709p1

**Terminal Fitting Usage Design:**

Main line and secondary line

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T389-c
