Overall Length:
3.620 inches
Overall Height:
1.630 inches
Overall Width:
2.500 inches
Design Type:
Bidirectional
Unit Type:
Coaxial line or transmission line
Terminal Fitting Name:
Electrical connector
Terminal Fitting Controlling Agency:
General electric company
Terminal Fitting Identifying Number:
Part no.885c706p1 and 885c709p1
Terminal Fitting Usage Design:
Main line and secondary line
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:

T389-c
