Overall Length:

6.060 inches

Overall Height:

0.880 inches

Overall Width:

2.440 inches

End Application:

An/alq-11 (v)

Design Type:

Bidirectional or unidirectional

Unit Type:

Coaxial line or transmission line

Terminal Fitting Name:

N female and male connectors

Terminal Fitting Usage Design:

Main line and secondary line

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T389-c
