Construction:

One-piece

Mounting Method:

Socket

Base Diameter:

0.393 inches

Maximum Height:

3.292 feet

Special Features:

External thread diameter 0.336 in.; plating and painting required, surface treatment: p2130 iaw mil-f-14072

Material:

Metal

Surface Treatment:

P2130 iaw mil-f-14072

Fsc Application Data:

Antennas, waveguides, and related equipment

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T224-d
