**Overall Length:**

2.812 inches

**Overall Height:**

1.750 inches

**Overall Width:**

1.750 inches

**End Application:**

Type no. As-208/trc-1

**Component Type And Quantity:**

1 insulator and 1 socket

**Special Features:**

Usage design: used as a masthead insulator; mounting configuration: one 0.500 in.-20 thd tapped mtg holes 0.750 in.Deep

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A51110
