Overall Length:

2.812 inches

Overall Height:

1.750 inches

Overall Width:

1.750 inches

End Application:

Type no. As-208/trc-1

Component Type And Quantity:

1 insulator and 1 socket

Special Features:

Usage design: used as a masthead insulator; mounting configuration: one 0.500 in.-20 thd tapped mtg holes 0.750 in.Deep

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51110
