Overall Length:

3.750 inches

Overall Diameter:

4.250 inches

Component Type And Quantity:

1 base and 1 gear and 1 switch

Special Features:

Component type and quantity: selsyn 1, torque unit 1; mounting configuration: mtd by collar flange

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51110
