Base Width:

6.000 inches

Maximum Height:

16.292 feet

Base Depth:

9.000 inches

Mast Construction:

Sectionalized

Mounting Method:

Bolt and welded

Section Quantity:

5

Material:

Steel

Surface Treatment:

Zinc

Specification Or Standard:

Ite-26 mark

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A503w0
