**Mounting Hole Type:**

Plain

**Mounting Method:**

Unthreaded holes

**Basic Shape Style:**

Irregular

**Mounting Facility Quantity:**

2

**Material:**

Aluminum alloy and rubber and steel, stainless

**Material:**

Aluminum alloy and rubber and stainless steel

**Supplementary Features:**

Hardware included

**Fsc Application Data:**

Antennas, waveguides, and related equipment

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A12000
