Overall Diameter:

Between 2.230 inches and 2.270 inches

Criticality Code Justification:

Supp

Special Features:

Cadmium plating with chromate conversion

Material:

Brass

Material:

Copper alloy

Security Classification:

Unclassified

Supplementary Features:

Fungus inert material

Fsc Application Data:

Communication equipment

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T224-a
