**Tubing Wall Construction Style:**

Seamless single tubing segment

**Special Features:**

Cflange style c28, copper material, 4 unthreaded holes, inside w 1.003 in., inside height 0.505 in., outside w and height 1.625 in., depth 0.438 in., connection hode diameter 0.169 in., mfg part no. M3922/53-1

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A073a0
