**Overall Length:**

2.375 inches

**Overall Height:**

0.844 inches

**Overall Width:**

1.250 inches

**End Application:**

Type no. Rt-178/arc-27

**Component Type And Quantity:**

2 clamp and 1 coil and 1 plate

**Special Features:**

Fusage design: used as spare part for receiver transmitters; mounting configuration: five 0.109 in. Diameter mtg holes irregularly spaced; fsc application data: radio set, radio communication equipment, airborne

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A5110
