Construction:

One-piece

Base Diameter:

5.750 inches

Top Diameter:

4.000 inches

Maximum Height:

9.167 feet

Special Markings:

Top 7, bottom 7

Material:

Aluminum alloy and steel

Material:

Aluminum alloy and steel

Surface Treatment:

Enamel

Surface Treatment:

Enamel coating over zinc coating

Fsc Application Data:

Antenna mast, test set, guided missile

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T224-d
