### **Overall Length:**

2.625 inches

#### **Overall Diameter:**

1.250 inches

## Component Type And Quantity:

1 cell

### Special Features:

Piston assembly 1, arm 1; one mtg hole 0.750 in. Dia; item is test set, electrical equip.

#### Shelf Life:

N/a

## Unit Of Measure:

--

### Demilitarization:

No
