Overall Length:

6.680 inches

Overall Height:

7.560 inches

Overall Width:

6.180 inches

Component Type And Quantity:

1 actuator and 1 connector and 5 gear and 1 frame and 1 synchro

Special Features:

Mounting configuration: press fit mtg; fsc application data: antenna-receiver-transmitter

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A5110
