Application Design:

Waveguide

Mounting Hole/stud Quantity:

1

Unthreaded Mounting Hole Diameter:

0.141 inches

End Application:

Guided missile fire control system an/msg-3

Mounting Method:

Unthreaded hole

Fsc Application Data:

Antennas, waveguides, and related equipment

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A20000
